if got, want: A Simple Way to Write Better Go Tests

Original Article URL: Link

Summary:
This article are easy to understand. So no need extra explanation.

New vocabulary:

Wacky

The word "wacky" is an informal adjective that means funny, unusual, or crazy in a silly or eccentric way. It is often used to describe something or someone that is a bit out of the ordinary in a playful or amusing manner.

Example:
She has a wacky sense of humor
That's a wacky idea, but it might just work!

Verbose

The term "verbose" is an adjective that means using more words than necessary or containing more detail than needed. It can describe speech, writing, or output that is wordy or overly detailed.

Example:
Her explanation was so verbose that I lost track of the main point.
The professor's lecture was so verbose that half the students fell asleep.
